Speck Pumps Klein Stuer

SPECK PUMPS Small Weir

Speck Pumps Small Weir is manufactured from high quality plastic materials and is designed for all types of swimming pools i.e. Gunitite or hand packed concrete, fiberglass and liner.

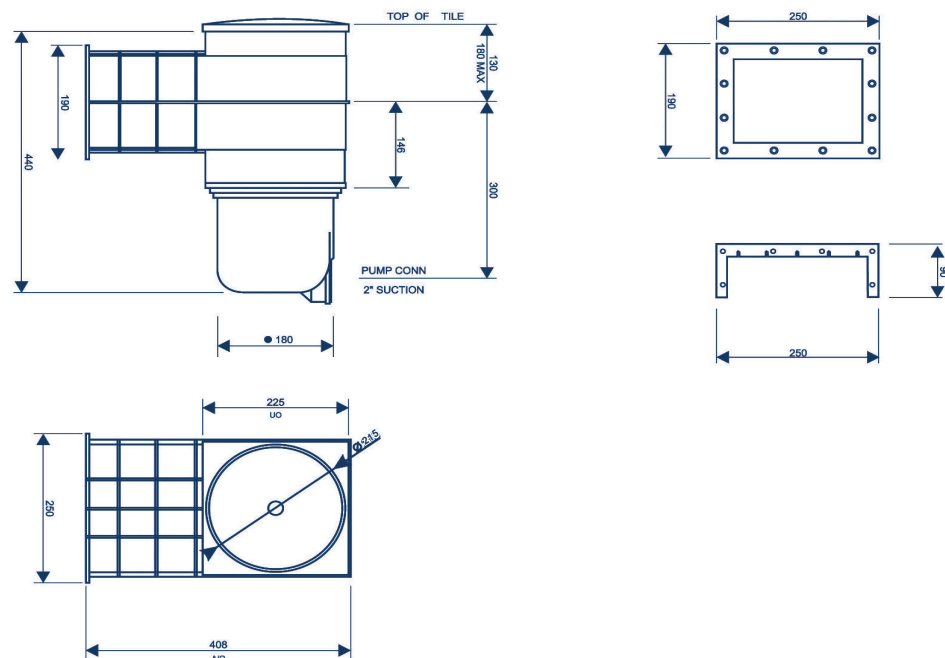

Die **Speck Pumps Klein Stuer** word vervaardig van hoë gehalte plastiese materiale en is ontwerp vir alle soorte swembaddens soos spuitsement- of geboude beton-, glasvesel- en vinielswembaddens.

FEATURES

- A deck collar that has an adjustable height which allows for the usage of any thickness of paving or tile around this unit.
- The leaf trap basket is designed in such a way as to provide maximum surface area. The unique vacuum lid ensures that it retains its position at all times. This prevents bigger particles and debris from entering the pump leaf trap basket. The leaf trap basket is easy to clean.
- A rigid designed housing with reinforced ribs for strength.
- An extremely low placed vacuum lid that prevents air being sucked into the suction line when using an automatic pool cleaner.
- Front cover plate is available in black or white.
- Weir base is available in black and white.
- Deck lid and collar is available in Brown, Black and Grey.
- 12 month ex-factory warranty under normal operating conditions from date of purchase.

EIENSKAPPE

- 'n Dekkraag waarvan die hoogte verstelbaar is om voorsiening te maak vir verskillende diktes plaveisel of teëls rondom die eenheid.
- Die blaarendjie het 'n groot opvangarea. Die unieke vakuumdak verseker dat die mandjie te alle tye presies in plek bly. Dit keer dat groter stukke vullis in die blaarendjie beland. Die blaarendjie maak maklik skoon.
- 'n Stewige omhulsel met versterkte ribbes vir ekstra sterkte.
- 'n Baie laag geleë vakuumdak om te voorkom dat lug in die suiglyn ingesuij word wanneer 'n outomatiese swembadskoonmaker gebruik word.
- Die voorste dekplaat is beskikbaar in swart en wit.
- Die basis is beskikbaar in swart en wit.
- Die boonste deksel en kraag is beskikbaar in Bruin, Swart en Grys.
- 12 maande fabriekswaarborg onder normale werktoestande vanaf datum van aankoop.
